1/8" Aircraft Cable

Compressed Stop Sleeve

Silver 1/8" Aircraft Cable

Silver Oval Sleeve for 1/8" Aircraft Cable

Canvas to be stapled on site. Excess cut and covered by pre-sewn, pre-grommated 3" white webbing. Webbing has a flap sewn to the underside which is then stapled to the MDF. Pre-attached threw grommets 1/8" aircraft cable looped and crimped with sleeve. Pulled taught threw 1/8" hole in Aluminum, stopped with compressed sleeve. Cable cut as close to stop as possible.
